Before going into committee meetings, Dr. Fabian introduced Lynn Morris, Deputy Director of Board Relations for the Department of Consumer Affairs. Ms. Morris explained her role within the Department and asked that the Board consider the Department as a resource for information and guidance. She asked that the Board consult with the Department on tough issues and to let the Department know the needs of the Board. She asked that each Board member take advantage of the Department sponsored Board member forums as they are designed to help Board members fulfill

their duties to the best of their abilities.

Ms. Morris encouraged the Board to hold their meetings in Central Valley locations such as Fresno, Bakersfield and Sacramento. It was noted that the Board had already scheduled a Central Valley meeting in the year 2001 and may hold their August 2000 meeting in either Fresno or Sacramento.

Members of the audience expressed concern for holding meetings in locations that were not easily accessed by airports. They said that increased costs for travel may prohibit their attendance. Dr. Fabian and Mr. O'Connor assured the audience that they understand this predicament, but it is important to visit all areas of California so that others have an opportunity to attend.

Ms. Taylor briefly explained the new Board member pay and travel claim forms and answered questions for the Board regarding travel-related issues.
